Hi Sara,

This just came in on Monday from the BLM-WY. Think the Word file with their responses to our comments is the most interesting.

See what you think!

Thanks and I will also give more time to that RA draft briefing document.

Subject: Response to your comments on the Presumed to Conform List

Scott and Tim,

Please find attached responses to comments submitted by EPA on the BLM-Wyoming's draft Presumed to Conform and Exempt lists. We have made minor modifications to both lists in response to your comments, updated some descriptions, and included additional language that you suggested.

Please let me know if you wish to schedule a call in the near-future to discuss the comment responses and address any additional questions or concerns you may have.

Thanks for your assistance and feedback in this process.
